

H.265 4K / 2K IP Solution

H.265 Compression 2MP / 3MP / 5MP IP Solution

To get superb image resolution and quality, AVTECH 3MP / 5MP IP solution has all you can expect. It supports H.265, H.264 and MPEG4 compression formats and is able to deliver 30fps@3MP / 5MP resolution for live display and recording. Some models are also equipped with a eSATA interface for external disk array connection and possibly building a RAID5 system to keep your data safe.

Push Video Real-time Event Notifications

When an alarm event is detected, the recorder will immediately send an event notification to your mobile device within five seconds, and meanwhile, EagleEyes, the mobile surveillance app will be activated automatically for remote video playback.

Multiple CHs Recording 32~64CH Solution

For multiple channels monitoring and recording, AVTECH has released a series of recorders for 32CH ~ 64CH recording. In addition to the huge storage capacity to save video data, they can also connect to an external disk array to get more storage capacity and build a RAID5 system to keep your data safe if necessary.

H.265 5MP Camera Series

AVM5447 IR Dome
(Motorized lens / Vandal-proof / WDR)

AVM5547 IR Bullet
(Motorized lens / WDR)
